

# A4 Twist & Lock Dispenser

Flat size of dispenser is 432 x 518mm holds **A4** sized leaflets

 **CUT LINES**

This will be where the print is cut, so represents the edges of the artwork, anything outside of this line will be lost.

 **SCORE LINES**

This is where the dispenser is creased so avoid any text or important information on or near these blue lines.

 **BLEED AREA**

A 3mm extension used to accommodate any slight movement during trimming, extend any images or solid areas to the red line (or beyond) to ensure full print coverage to the ends of the dispenser.

**Saving PDF**

To save or output your PDF, make sure all fonts are embedded, all images are at least 300dpi and the colour output is set to CMYK. If using Adobe products the "press quality" PDF setting is ideal.

**PLEASE REMEMBER TO DELETE THIS LAYER**

**BETTERPRINTING**
